Subject: Letter of Recommendation – Hall's Tree Service

Dear Mr. Hall:

This letter serves as a letter of recommendation for Hall's Tree Service. Hall's Tree Service has performed business with Cumberland County, including stream debris removal and tree removal. They are currently working as a subcontractor to ES&J Enterprises, Inc. and have been awarded the Stream Debris Removal in Rockfish Creek contract. In the last year, Hall's Tree Service worked as a subcontractor to Diamond Constructors, Inc., to remove trees at the Historic Courthouse as part of a broader project to renovate the Historic Courthouse Parking Lot.

Hall's Tree Service completed the work at the Historic Courthouse in a timely manner, maintained a professional work site, communicated efficiently with both the contractor and Cumberland County, while performing the tree removal. As part of their work with ES&J Enterprises, Inc., Hall's Tree Service has provided updates to the progress of the work completed. Recently, Hall's Tree Service was the successful bidder for the next phase of tree removal. Cumberland County approved to award the Stream Debris Removal Contract in Rockfish Creek to Hall's Tree Service on April 3rd, 2018.

Cumberland County considers Hall's Tree Service qualified in tree removal, stream debris removal and meeting project schedules.

Please contact me at 910-678-7813 if you have any questions or require additional information.

Sincerely,

Allan J. Riddle, PE
Assistant County Engineer
